## Education

### Master of Computer Applications (MCA)

KIET Group of Institutions, Ghaziabad (affiliated to AKTU, Lucknow)

Batch:2024-26

SGPA : 7.79(Upto semester I)

### Bachelor of Computer Applications

UPRTOU , Prayagraj

Batch:2021-24

Percentage: 61

### Intermediate

Jawahar navodaya vidhyalay , ETAH

Session 2020 - 2021

Percentage: 83.2

### High School

Jawahar navodaya vidhyalay , ETAH

Session:2018 - 2019

Percentage: 71.2

## Technical Skills

- **Languages:** JAVA, C, HTML/CSS, JavaScript, SQL
- **Back-End:** MySQL, MongoDB
- **Developer Tools:** VS Code, GitHub, Excel, PowerPoint,
- **Core Competencies:** DBMS, Object-Oriented Programming(OOPs), Problem-Solving, Time Management, Creativity

## Projects

**E-Waste Management** / HTML, CSS, JavaScript, MySQL

march 2025 - Ongoing

### Role: Front-End

- Designed and developed a responsive web interface for an e-waste management platform that allows users to schedule waste pickups, track status, and learn about recycling practices. The goal was to create an intuitive UI that encourages eco-friendly behavior through seamless user interaction.
- Created intuitive UI components using HTML, CSS, and JavaScript to ensure seamless user interaction.
- Integrated frontend with backend APIs for real-time data display and form submission.
- Focused on mobile responsiveness and accessibility across devices.

**Institute Website** / HTML, CSS, JavaScript, MySQL

September 2024 - November 2024

### Role: Front-End

- Built a responsive and user-friendly website for an educational institute to showcase courses, faculty, admissions, and contact details.
- Implemented interactive features like tabbed content, animated banners, and validated forms using JavaScript.
- Connected forms to a MySQL backend in collaboration with the backend team for storing user queries.
- Ensured cross-browser compatibility and smooth navigation across all major devices.

## Certificates

- **C Language:** Organized by Cisco System (80 Hours) **January 2024**
